TITAN

Exclusive Technology

The Meshtec Advanced Screen System utilizes an exclusive manufacturing platform to deliver patent protected, high tensile strength, stainless steel screen security products that are easy to see through and almost impossible to get through.

While under tension, wires are woven into stainless steel mesh

Stainless steel mesh is cut, pre-treated, and powder coated

Mesh panels are secured in product frames with patented mechanical attachment systems

Full View IMPACT SHEER PRY

Double doors have a center post that is attached to the passive door, leaving no obstruction to the entryway when both doors are open. The active door (with handle) can be specified as left or right.

Some single door designs are mirrored in a double door as shown below.

Mirrored models include: Acadian, Chili Ristra, Elegante, French Hummingbird, Garland, Harbour Beacon, Harvard, Kokopelli, Lizard Bar, Martini, Matrix, Nogales, Playa, Quail Covey, Sail Away Sunfire, and Yale.
